How to Apply for Neighborhood SUCCESS

Neighborhood SUCCESS requires all grantseekers to attend a Grantseeker Orientation **prior to submitting an application to Neighborhood SUCCESS**. The orientation provides important information on program goals, objectives and the application process. Orientation sessions are held in February and August. Check the Foundation website at www.rjweanfdn.org for current dates and times. Applications must be sent by mail or hand delivered and must be received by 5:00 p.m. The deadlines are March 15 and September 15 or the next business day if the deadline falls on a weekend or holiday. NO EXCEPTIONS.

Eligibility — Groups of residents, neighborhood associations, school affiliated groups, faith-based, civic and social organizations in the cities of Warren and Youngstown, Ohio, are eligible to apply. For consideration, groups must either qualify as a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code or partner with an organization that qualifies as a nonprofit organization and agrees to serve as its Fiscal Agent (see 18c on page 5).

Required Match — Grantseekers are required to match the amount they are seeking with contributions of:

- Volunteer labor, valued at \$18 per person per hour
- Cash
- In-kind donations of goods and services

Neighborhood SUCCESS generally will not consider funds for:

- Individuals
- Businesses
- Religious organizations for religious purposes
- Government agencies or departments
- Scholarships that fund individual students
- For-profit entities
- Organizations that discriminate on the basis of age, disability, religion, ethnic origin, gender or sexual orientation
- Advancement of endowment or capital campaigns
- Fundraising event sponsorship
- Political campaigns or promotion of issues or candidates for public office

Grantmaking Process

- **Application** — There are two grant making cycles per year. Organizations may receive one grant per 12-month funding cycle.
- **Review by Grant Making Committee** — The Grant Making Committee, consisting of area residents, guide our grant process. Committee members represent the diverse cultures and ideas expressed in the community at large. Within three weeks of the application deadline, the Committee will review all grant applications. Grantseekers may be invited for an interview. Up to three representatives may attend on behalf of the group. Grantseekers may provide visuals, encourage partners or participants to attend and should be responsive to requests for additional information.
- **Award Decisions** — Grant decisions are based on program-established criteria, with grantseekers notified by mail, within two months of the application deadline. Award distribution is approximately three months after the application deadline. The Grant Making Committee makes the final funding decisions.
- **Orientation** — Grantees and Fiscal Agents are required to attend the Grantee Orientation before the release of funds. These sessions outline the Neighborhood SUCCESS/grantee relationship and provide support for the implementation of the project and facilitate communication efforts.
- **Implementation** — Projects must be completed within one year of the grant award. Program staff is available to provide assistance in successful grant management.
- **Utilization** — Funds that are not expended or committed, for the purpose approved, during the grant period must be returned to the Foundation.
- **Project Evaluation** — The evaluation serves as a valuable learning tool for both grantees and program staff. Within 30 days after grant activities are complete, but no later than 30 days after the grant term, grantees must provide a report outlining the outcomes (Project Evaluation). This report must be completed prior to a new request. Grantees may also be asked to participate in in-depth evaluation activities such as Site Visits, Focus Groups and Group Learning Discussions.
