

Strategic Partners

Overview

Central to the Wean Foundation's work is the guiding principle that resident engagement is essential for authentic, lasting change to occur. With our Strategic Partners, Trumbull Neighborhood Partnership and Youngstown Neighborhood Development Corporation, we seek to collectively build capacity to provide voices to residents and leaders throughout

the Mahoning Valley. (abbrev.)

Trumbull Neighborhood Partnership (TNP) is a Community Development Corporation empowering residents through programming and projects that improve the quality of life in the neighborhoods of Warren, Ohio.

Together we are committed to real, sustainable, resident-driven environmental, social and economic change.

Together we are positioned to raise our voices to advance structural change locally and across the state.

Together we transform neighborhoods into meaningful places where people invest time, money and energy into their homes and neighborhoods and where neighbors have the capacity to

manage day-to-day issues.

Together we maintain a passion for community engagement, leverage financial support to coordinate services and collaborate with community partners resulting in changed neighborhoods.
